Holistic Education and Health Network has announced plans for it's first annual Golf Tournament

at Shadow Glen Golf Club in Manor Texas.

This event will be held the afternoon of June 13th 2009. Proceeds from this event will produce funds for Holistic Education and Health Network, which is a community base organization dedicated to enhancing alternative health and wellness treatments for the under-served community of Austin/Travis County. The donations from the golf tournament will be used toward classes/treatments of alternative practices for the citizens of Austin/Travis County with limited resources.

The tournament will be followed by lunch, prizes and chair massages, where Executive Director of HEH Network will speak about the organization and it's vision and mission. This is a wonderful opportunity for the citizen of Austin/Travis county to enjoy a afternoon of great golfing. There's no reason for feeling guilty by taking the afternoon off to play. By taking part in the tournament, participants are both helping citizens of the Austin/Travis county under-served community and networking with business and associates. This fund raiser event will help further the fulfillment of HEH Network mission of enhancing Sustainability, Health and Quality of Life for the citizen of Austin/Travis county.

Events such as this are only possible through the participation and sponsorship of generous individuals and organization. In addition to participating as a golfer, there are also sponsorship opportunities that range from Hole sponsorship, Hole-in-one and Tournament sponsor.

The four team fee of \$400.00 per team includes green fee, GPS carts lunch and prizes.

Holistic Education and Health Network is a all volunteer group dedicate to enhancing Sustainability, Health and Quality of Life.
